Appellee.

Court of Appeals No. **A-13818**

Notice of Deficiency

Date of Notice: **5/3/21**

Trial Court Case No. **3AN-17-00418CR**

Appellant's prepared transcript and statement of points on appeal were due on 4/26/21. We have not received the prepared transcript and statement of points or a motion to extend time. Under Appellate Rule 511.5(a), this appeal may be dismissed for want of prosecution unless appellant submits a prepared transcript and statement of points with a motion to accept late prepared transcript and statement of points, or a motion for extension of time, on or before **5/20/21**. Either motion must state the reasons why the prepared transcript and statement of points or a motion to extend time could not be timely filed. Either motion will be submitted to a judge for a ruling.

If the required documents or a motion to extend time are not received on or before **5/20/21**, this file may be **CLOSED**.
